

The Book of Daniel
Chapter 10

Verse 1

1. The third year of Cyrus is **536 BC**.
2. This is Daniel's **FINAL** vision.
3. The fulfillment will be a long way in the **FUTURE**: "*the time appointed was long.*"

Verses 2 & 3

4. In the Hebrew it is written "three full weeks *of days*". We don't need this, because we know that he wasn't fasting for 21 years, so why did Daniel add "*of days*"?

Verses 4-12

5. When were the words of Daniel heard? **FROM THE FIRST DAY**
6. Why did it take three weeks for the angel to answer? Read on.

Verse 13

7. Who is the "prince of Persia"? **A FALLEN ANGEL**
8. Who came to help? **MICHAEL**

Verse 14

9. Who is the vision for? **DANIEL'S PEOPLE**
10. When shall the vision be fulfilled? **IN THE LATTER DAYS**
11. How long until the vision is fulfilled? **MANY DAYS**

Verses 15-21

12. Do Satan and his workers try to affect world policy? Who is the 'god of this world'?
13. The 'scripture of truth' that this angel speaks about. Is it already written? Before Daniel wrote it? Psalm 119:89 says, "*For ever, O Lord, thy word is settled in heaven.*"
